# IT company office

Office design

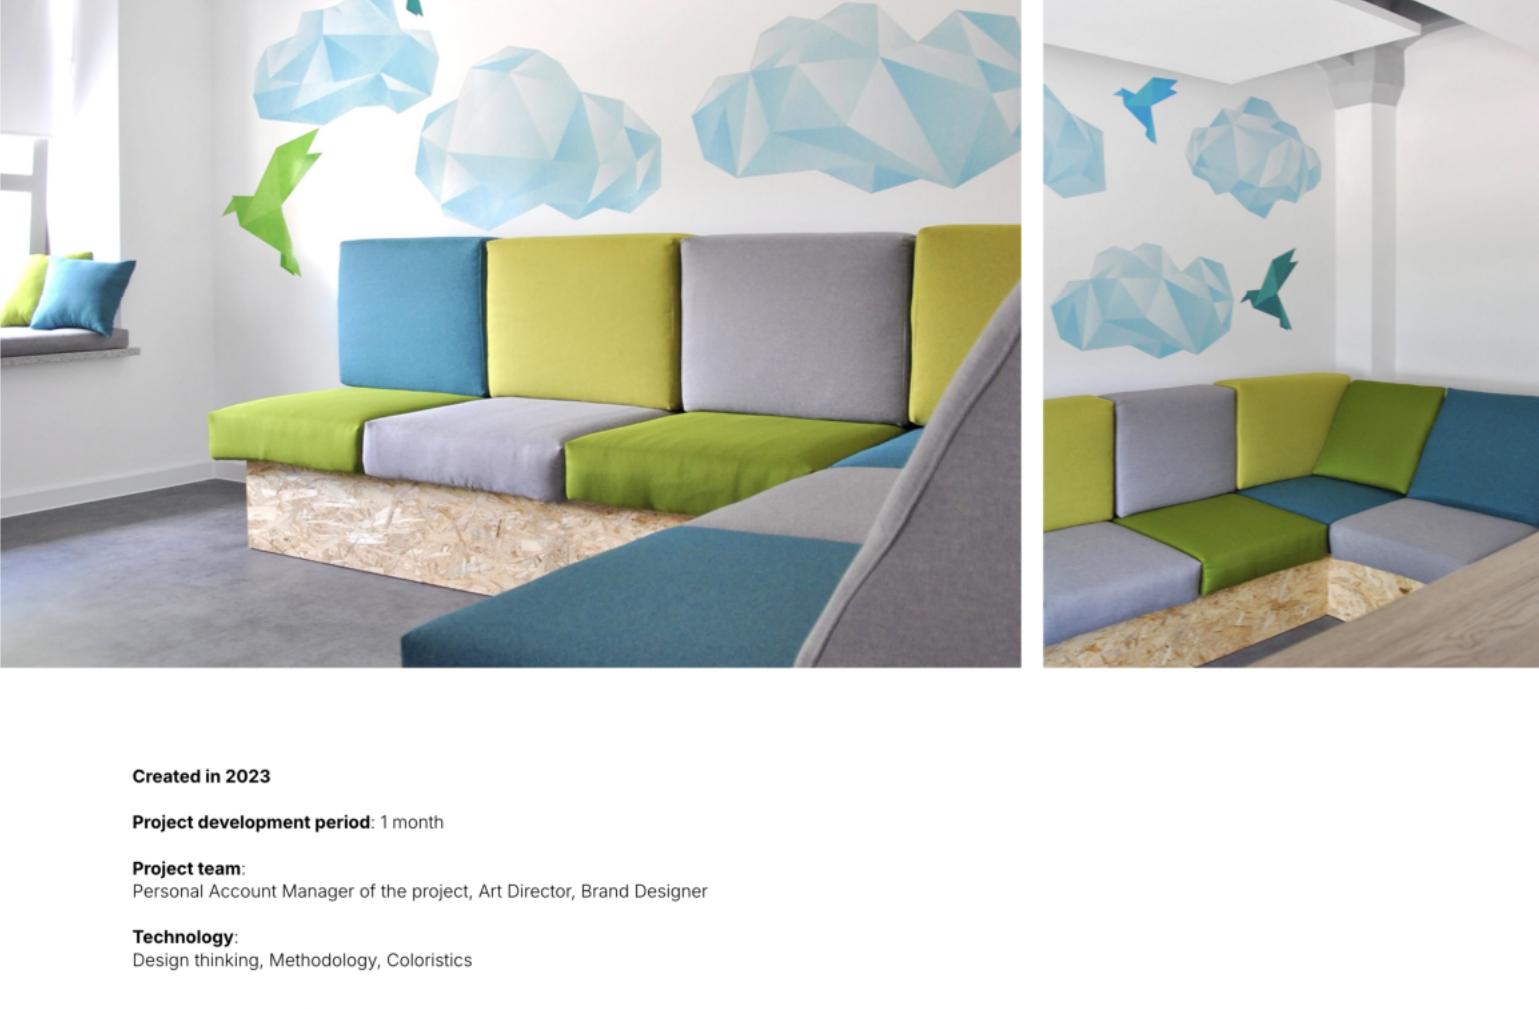

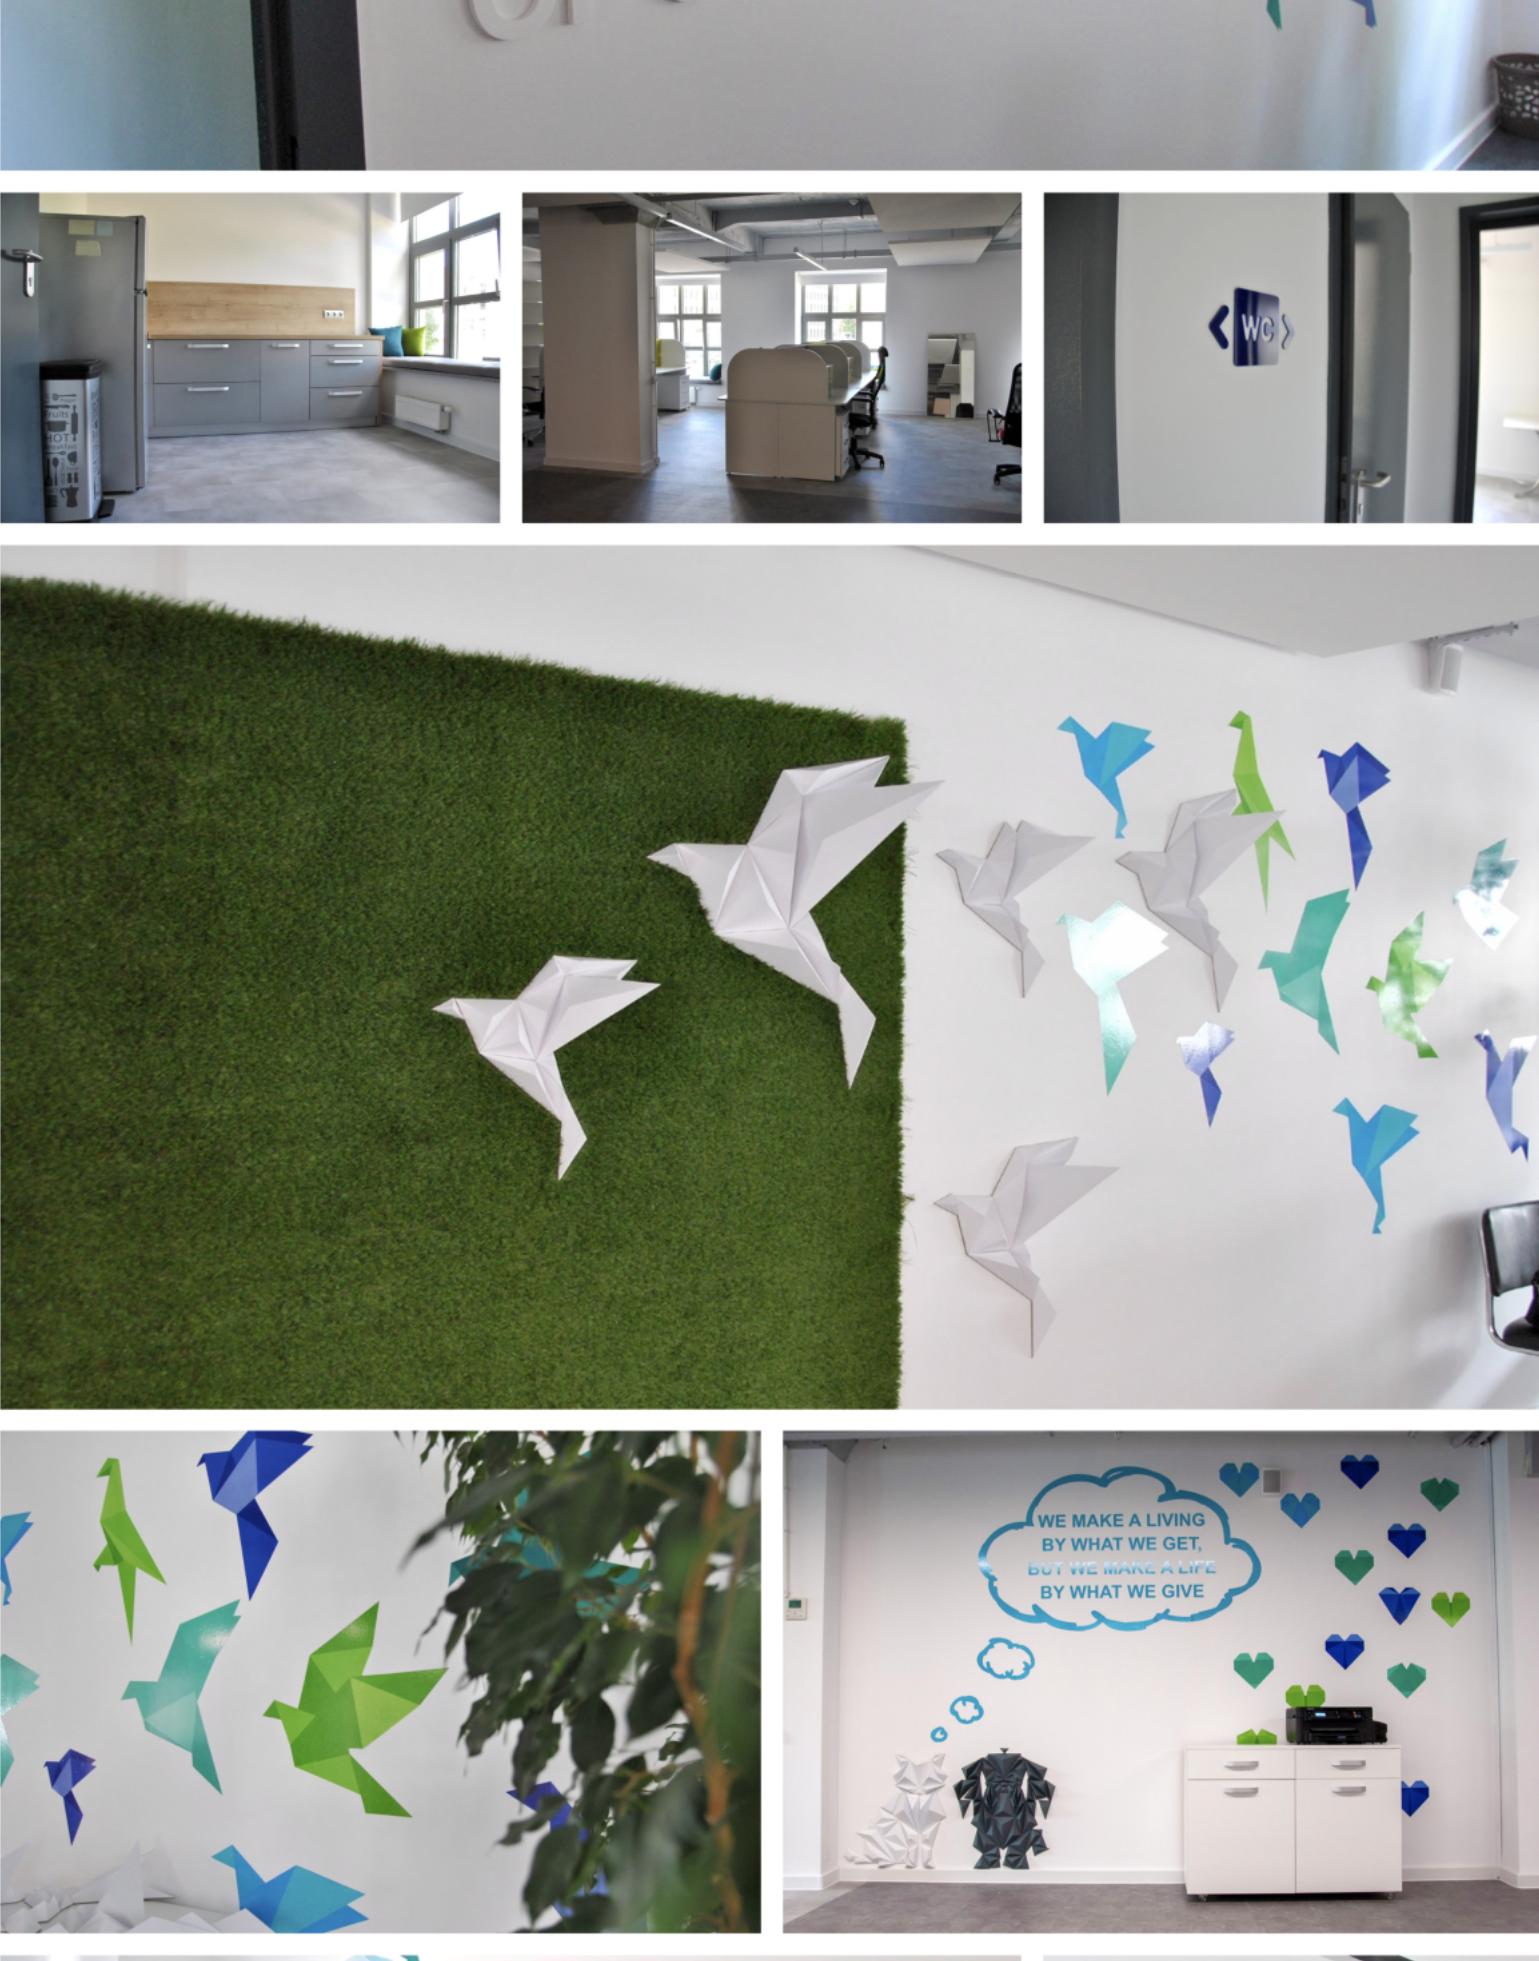

Year: 2020

Service: public space

Interior design concept for IT company office which we named Imagination Is New Reality. The idea was inspired by actual trends of the last years: polygonal figures and origami. Thus, origami as the bright symbol of creativity, and polygonal forms representing the character of the main soft developed by the company.

The parallels with the world of creativity, thought and imagination. Simple minimalistic geometric style bringing nice entourage to this bright public space. The main colors are from brand palette plus some close shades of them.
